

You Can Prepare for a Hospital Stay

Hospitalization due to conditions such as a heart attack or appendicitis usually average \$1,500 or more. Can you afford unexpected bills? Even if you have health insurance or Medicare, your out-of-pocket medical expenses can add up with costs for hospitalization typically more than \$1,000.¹

With benefits up to \$1,000 per day, you can use HospitalWise cash payments to help cover costs for items such as:

- Prescriptions
- Out-of-network providers
- Mortgage payments
- Car payments
- Utility bills
- Caregivers

Maintaining your financial security includes planning for the possibility of hospitalization. Adding HospitalWise in addition to your health insurance or Medicare plan can provide an extra layer of financial protection—for anyone up to age 90—to help you feel more comfortable with your insurance coverage.
