

Accessing NABIP and Transferring NABIP Scores

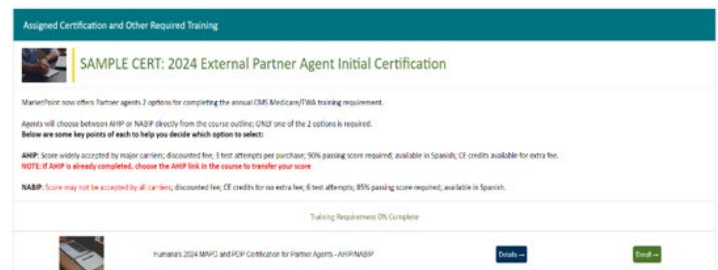

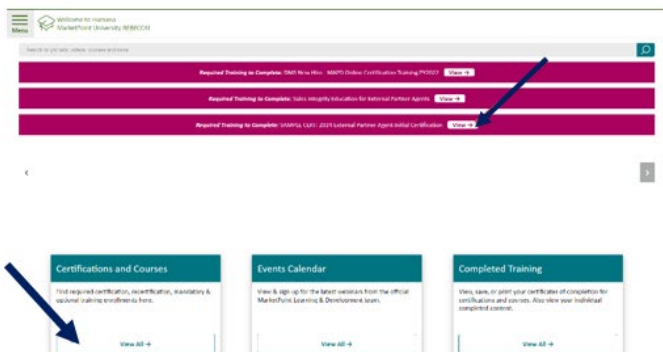

PURPOSE: This job aid will assist agents with accessing NABIP from Humana MarketPoint University (HMU) and transferring their NABIP scores to the Humana Certification or Recertification course enrollment.

How to Access NABIP and Transfer Your NABIP Score to Humana

To transfer a NABIP (formerly NAHU) score you must be enrolled in a Humana Certification or Recertification course located on Humana MarketPoint University. You can access Humana MarketPoint University from the **Humana Vantage Agent Portal**.

The image shows the 'Sign in' page of the Humana MarketPoint University portal. It has a 'Sign in' heading and a subheading: 'Enter your existing sign-in information to access all of your accounts. [Learn more](#)'. There are input fields for 'Username' and 'Password', with a 'Show' button next to the password field. Below the fields is a 'Sign in tips' link and a green 'Sign in' button with a right arrow. To the right of the sign-in form is a section titled 'Don't have a profile?' with a subheading: 'Start your online profile today and you'll have immediate access to your MyHumana, Humana Pharmacy and Go365 accounts all in one place.' Below this text is a green 'Activate online profile' button with a right arrow.

Once logged in on Humana MarketPoint University, you will access your assigned Certification or Recertification training through the alert banner on the homepage. You can also navigate to this by selecting View All under the Certifications & Courses section. From the Assigned Training section, you will Enroll In or Launch the course to begin or continue.

Accessing NABIP and Transferring Scores

NOTE: Make sure you are logged out of NABIP before clicking the “NABIP” link and that pop-up blockers are turned off.

If you are a first-time NABIP user, you will need to create an account. Returning Agents will log in using their NABIP login credentials.

NOTE: You only need to register once. If you leave and come back, just enter your NABIP login credentials.

Looking for NABIP Scores

Once signed into NABIP, the system will look to see if the current plan year course has been successfully completed within six attempts (even if completed outside of Humana).

You have not yet completed NAHU Training for 2024

Or you may simply need to associate your NAHU profile to Humana so NAHU may release your results to us.

Please select [this link](#) to proceed to NAHU to complete your training or to associate your NAHU profile to Humana.

If NABIP is already complete, the test score will automatically be sent to Humana and the following message will be received.

Wonderful, you have completed NAHU Training for 2024

You may close this window and continue with your training. Congratulations!

Click the “**Return to outline**” button at the bottom of the page to return to the course outline.

The NABIP score and status will be posted, allowing you to proceed.

If NABIP is already completed, but the score is not transferring

If you have successfully completed NABIP for the current plan year by passing the exam within six (6) test attempts but the score is not transferring, you **will NOT be required** to retake the training. Score transfer is dependent on the NPN and having Humana listed as an assigned carrier. Check to make sure the NPN is entered correctly on your NABIP profile and that Humana is listed as a carrier.

Checking the carriers associated to your NABIP profile can be done from My Accounts - My Certificates, CEs and Carriers - Your Course Dashboard.

If all the information is correct but the score will not transfer, please email MarketPointTraining@humana.com with your full name and SAN number. Please allow one business day for the MarketPoint Training Team to transfer the score.

If NABIP has not yet been completed, you will be redirected to the NABIP website.

- *Already have an NABIP account?* Login using your NABIP login credentials.
- *New to NABIP?* Once the course is added to your **Cart**, you will then need to **Create a New Account**.
